ABOUT ME

Computer Science Engineering student with a strong interest in Java Full-Stack Development and Data Analytics. Skilled in Java, Spring Boot, React, REST APIs, PostgreSQL, Python, and data analysis tools. Passionate about building real-world applications, learning new technologies, and solving problems through technology.

PROJECTS

Student-preparation-tracker [\[Visit Project\]](#)

Developed a full-stack platform for students to create, manage, schedule, and track study tasks with recurring reminders. Implemented JWT & OTP-based authentication and integrated a Gemini-powered AI study assistant; deployed the application using Vercel and Render

Tech Stack : Java, Spring Boot, React, PostgreSQL, JWT, Gemini AI

SKILLS

Languages : C , Java ,Python , JavaScript

Frontend : HTML ,React.js , Tailwind CSS

Database : Spring Boot , PostgreSQL

CS Concepts : DBMS , OS , CN , SQL

Version Control : Git , GitHub

Foundations : DSA , OOP Concepts

Soft Skills : Problem-Solving Skills, Project Management, Adaptability, Leadership,Team work, Time Managemen

CERTIFICATIONS

ServiceNow Certified System Administrator (CSA) - ServiceNow (2026) | [Credential](#)

ServiceNow Certified Administrative Developer (CAD) -ServiceNow (2026) | [Credential](#)

Deloitte Australia – Data Analytics Job Simulation (Forage) | [Credential](#)

ACHIEVEMENTS

- Completed Deloitte Australia Data Analytics Job Simulation through Forage.
- Successfully deployed a full-stack Student Preparation Tracker application with React, Spring Boot, REST APIs, PostgreSQL, and Gemini AI.

EDUCATION

Sree Venkateswara Colege Of Engineering (2023 - 2027)

B.Tech (CSE) - 9.35%

Mahatma Jyothiba Phule Andhra Pradesh Backward Classes Welfare Residential Junior College

(M.J.P.A.P.B.C.W R.J College) (2021 - 2023) - 96.8 %

Zilla Parishad High School (Z.P. High School) - 9.8 GPA
